

UEFA Club Financial Control Body adjudicatory chamber announces decisions

Six clubs fulfil conditions set out by CFCB

The UEFA Club Financial Control Body (CFCB) adjudicatory chamber has met in Nyon, Switzerland, and has taken further decisions with regard to the cases mentioned in media release No. 83 of 21 December 2012: <http://uefa.to/17EZkFK>

Eight clubs had been sanctioned by the CFCB due to the presence of significant overdue payables and had to settle payments by 31 March 2013, in order to avoid the application of the suspended sanctions set out by the CFCB.

The conclusion of the investigation revealed that:

FC Rapid Bucureşti (ROU) and FC Arsenal Kyiv (UKR) did not fulfil the conditions set out by the CFCB. Thus all sanctions mentioned in the decision will fully apply.

- **FC Rapid Bucureşti** (ROU) have been fined €100,000 and are excluded from participating in the next UEFA club competition for which the club would qualify in the next three seasons (i.e. 2013/14, 2014/15, 2015/16).
- **FC Arsenal Kyiv** (UKR) have been fined a total amount of €75,000.

The report of the CFCB investigatory chamber further confirms that the clubs Málaga CF (ESP), HNK Hajduk Split (CRO), NK Osijek (CRO), FC Dinamo Bucureşti (ROU), FK Partizan (SRB), and FK Vojvodina (SRB) have fulfilled all conditions imposed by the CFCB and therefore all suspended sanctions that had been imposed will not apply.
